

On January 22, 1973, abortion was legalized by the U.S. Supreme Court. In 1984 President Reagan proclaimed the 3rd Sunday in January as Sanctity of Human Life Sunday. Each year, many churches commemorate the value of *each and every life* on this day.

Blue Ridge Women's Center is a Christ-centered ministry dedicated to upholding the sanctity of human life by *ministering* to women facing unexpected pregnancies, and *promoting* sexual integrity. Since we opened our doors in 1984, we have provided medical services and support to over **18,000 women**.

We provide all of our services **at no cost to the client** only because of the *generosity of people like you*. What can you do to help give a brighter future to the women, men and babies in our community?

- **Join the Baby Bottle Campaign**
- **Raise funds as a walker in our Walk for Life**
- **Serve in one of our many volunteer roles**
- **Give an ongoing monthly gift**
